

ZERO Magazine Relaunch

Monday 21 October, 2013

ZERO is happy to announce that today marks the relaunch of our website; as well as covering human interest, arts, music, fashion and lifestyle, we are now hosting a blog tab that will feature regular updates covering all aspects of the magazine. The visual concept continues to be minimal, succinct and art-driven that is essential in our aesthetic, but completely re-designed. The experience will allow readers to immerse themselves into bold insight for users who seek alternative reading.

We hope you enjoy the new issue!
